How to start the application process:

- The application process has been split into 2 parts, the first part is a Web-based survey and the second part is an application form in Word which can be downloaded, completed and returned by email. Both parts and all sections of the application form should be filled in for the application to be processed.

The **first part**, i.e. the [Web-based survey](#) is used to collect information for statistical purposes such as personal data (i.e. name, gender, nationality), contact details, mandate/s applying for and nominating entity. **The web-based survey should only be completed once**, i.e. multiple selection allowed to indicate if the candidate is applying for more than one mandates.

This is the **second part, i.e.** of the application form in Word which can be downloaded, completed and saved in word format and then submitted as an attachment by email. Information provided in this form, includes a motivation letter of maximum 600 words, will be used as received to prepare the public list of candidates who applied for each vacancy and will be made available to concerned parties, including through the OHCHR Internet.

Once completed the application form in Word should be submitted by email to [hrcspecialprocedures@ohchr.org](mailto:hrcspecialprocedures@ohchr.org)

If the candidate is applying for more than one mandates, an application form needs to be completed and sent for each mandate.

- A maximum of 3 reference letters can be attached, in pdf format, to the application sent by email. No additional document is required.
- **Application Deadline: 14 November 2013 (midnight, GMT).**
- Shortlisted candidates will be interviewed at a later stage.

If encountering technical difficulties, you may contact us by email: [hrcspecialprocedures@ohchr.org](mailto:hrcspecialprocedures@ohchr.org) or fax: + 41 22 917 9011

An acknowledgment will be sent when we receive both parts of the application process, i.e. the information through the web-based survey and the application form through email.
