FALLING THROUGH THE CRACKS...

- Children’s rights overlooked in international and national policies on climate change
- Climate change overlooked in child protection policies and initiatives, e.g. children’s healthcare
• Human Rights Council
• Committee on the Rights of the Child
• Special Rapporteur on Human Rights & the Environment
“Parties should, when taking action to address climate change, respect, promote and consider their respective obligations on human rights...the rights of children...and intergenerational equity.”
“Promote mechanisms for raising capacity for effective climate change-related planning & management ...including focusing on ...youth”

— Sustainable Development Goals

“Children and youth are agents of change and should be given the space and modalities to contribute to disaster risk reduction”

— Sendai Framework for DRR
