People at the Centre:

Human Rights in Global Economics and Development
A Discussion in Commemoration of the 25th Anniversary of the UN Declaration on the Right to Development

Keynote by
Nobel Laureate Professor Joseph Stiglitz
Columbia University

Professor Philip Alston, New York University
Professor Radhika Balakrishnan, Rutgers University
Professor James Thuo Gathii, Albany Law School
Professor Penny Andrews, City University of New York

Moderated by Craig Mokhiber, Office of the High Commissioner for Human Rights

Monday 5 December 2011
10:00a.m. – 1p.m.

Conference Room E, North Lawn Building
UN Headquarters, New York

“Political leaders seem to have forgotten that health care, education, housing, and the fair administration of justice are not commodities for sale to the few, but rather rights to which all are entitled without discrimination. Anything we do in the name of economic policy or development should be designed to advance these rights and, at the very least, should do nothing to undermine their realization.” -- Navi Pillay, High Commissioner for Human Rights
