that these articles are not reasonably available from domestic sources:
(A) End products or components listed in 225.104(a).
(B) Spare or replacement parts that must be acquired from the original foreign manufacturer or supplier.
(C) Foreign drugs acquired by the Defense Supply Center, Philadelphia, when the Director, Pharmaceuticals Group, Directorate of Medical Materials, determines that only the requested foreign drug will fulfill the requirements.
(iv) Under coordinated acquisition (see Subpart 209.70), the determination is the responsibility of the requiring department when the requiring department specifies acquisition of a foreign end product.
(c) The cost of a domestic end product is unreasonable if it is not the lowest evaluated offer when evaluated under Subpart 225.5.

225.104 Nonavailable articles.
(a) DoD has determined that the following articles also are nonavailable in accordance with FAR 25.104(b):
(i) Aluminum clad steel wire.
(ii) Sperm oil.

225.105 Determining reasonableness of cost.
(b) Use an evaluation factor of 50 percent instead of the factors specified in FAR 25.105(b).

225.170 Acquisition from or through other Government agencies.
Contracting activities must apply the evaluation procedures in Subpart 225.5 when using Federal supply schedules.

Subpart 225.2—Buy American Act—Construction Materials

225.202 Exceptions.
(a)(3) A nonavailability determination is not required for construction materials listed in FAR 25.104(a) or in 225.104(a). For other materials, a nonavailability determination shall be approved at the levels specified in 225.103(b)(4). Use the estimated value of the construction materials to determine the approval level.

Subpart 225.3—Contracts Performed Outside the United States

SOURCE: 73 FR 18774, Mar. 31, 2008, unless otherwise noted.

225.301 Contractor personnel in a designated operational area or supporting a diplomatic or consular mission outside the United States.

225.301-1 Scope.
(a) Performance in a designated operational area, as used in this section, means performance of a service or construction, as required by the contract. For supply contracts, the term includes services associated with the acquisition of supplies (e.g., installation or maintenance), but does not include production of the supplies or associated overhead functions.
(c) For DoD, this section also applies to all personal services contracts.

225.301-4 Contract clause.
(1) Use the clause at FAR 52.225-19, Contractor Personnel in a Designated Operational Area or Supporting a Diplomatic or Consular Mission Outside the United States, in accordance with the prescription at FAR 225.301-4, except that—
(i) The clause shall also be used in personal services contracts with individuals; and
(ii) The clause shall not be used when all contractor personnel performing outside the United States will be covered by the clause at 252.225-7049.
(2) When using the clause at FAR 52.225-19, the contracting officer shall inform the contractor that the Synchronized Predeployment and Operational Tracker (SPOT) is the appropriate automated system to use for the
Defense Acquisition Regulations System, DOD

225.370 Contractors performing private security functions.

225.370-1 Scope.

225.370-2 Applicability.

This section applies to acquisitions for supplies and services that require the performance of private security functions in areas of—
(a) Contingency operations (see FAR 2.103);
(b) Complex contingency operations; or
(c) Other military operations or exercises that are designated by the combatant commander.

225.370-3 Definitions.

As used in this section—

Complex contingency operations means large-scale peace operations (or elements thereof) conducted by a combination of military forces and non-military organizations that involve one or more of the elements of peace operations that include one or more elements of other types of operations, such as foreign humanitarian assistance, nation assistance, support to insurgency, or support to counterinsurgency.

Private security functions means activities engaged in by a contractor, including—
(1) Guarding of personnel, facilities, designated sites, or property of a Federal agency, the contractor or subcontractor, or a third party; and
(2) Any other activity for which personnel are required to carry weapons in the performance of their duties.

225.370-4 Policy.

(b) The requirements of this section apply to contractors that employ private security contractors in areas of contingency operations, complex contingency operations, or other military operations or exercises that are designated by the combatant commander, whether the contract is for the performance of private security functions or other supplies or services.

(c) DoD requires contractors described in paragraph (b) above to—
(1) Ensure that all employees of the contractor who are responsible for performing private security functions comply with orders, directives, and instructions to contractors performing private security functions for—
(a) Registering, processing, accounting for, managing, overseeing, and keeping appropriate records of personnel performing private security functions. This includes ensuring the issuance, maintenance, and return of Personal Identity Verification credentials in accordance with FAR clause 52.204-9, Personal Identity Verification of Contractor Personnel, and DoD procedures, including revocation of any physical and/or logistical access (as defined by Homeland Security Presidential Directive (HSPD-12)) granted to such personnel;
(b) Authorizing and accounting for weapons to be carried by or available to be used by personnel performing private security functions;

(A) All weapons must be registered in the Synchronized Predeployment Operational Tracker (SPOT) material tracking system.
(B) In addition, all weapons that are Government-furnished property must be assigned a unique identifier in accordance with the clauses at 225.211-7006 and 225.245.7001 and physically marked in accordance with MIL-STD 130 (current version) and DoD directives and instructions. The items must be registered in the DoD Item Unique Identification (IUID) Registry (https://www.hm.gov/iuid); 

(iii) Registering and identifying armored vehicles, helicopters, and other military vehicles operated by contractors performing private security functions; 

(A) All armored vehicles, helicopters, and other military vehicles must be registered in SPOT. 

(B) In addition, all armored vehicles, helicopters, and other military vehicles that are Government-furnished property must be assigned a unique identifier in accordance with the clauses at 225.211-7006 and 225.245.7001 and physically marked in accordance with MIL-STD 130 (current version) and DoD directives and instructions. The items must be registered in the DoD IUID Registry; and 

(iv) Reporting incidents in which— 

(A) A weapon is discharged by personnel performing private security functions; 

(B) Personnel performing private security functions are attacked, killed, or injured; 

(C) Persons are killed or injured or property is destroyed as a result of conduct by contractor personnel; 

(D) A weapon is discharged against personnel performing private security functions or personnel performing such functions believe a weapon was so discharged; or 

(E) Active, non-lethal countermeasures (other than the discharge of a weapon) are employed by personnel performing private security functions in response to a perceived immediate threat; 

(ii) Ensure that all employees of the contractor who are responsible for personnel performing private security functions are briefed on and understand their obligation to comply with— 

(i) Qualification, training, screening (including, if applicable, thorough background checks), and security requirements established by DoDI 3220.56; 

(iii) Applicable laws and regulations of the United States and the host country and applicable treaties and international agreements regarding performance of the functions of the private security contractors; 

(iv) Orders, directives, and instructions issued by the applicable commander of a combatant command relating to weapons, equipment, force protection, security, health, safety, or relations and interaction with locals; and 

(v) Rules on the use of force issued by the applicable commander of a combatant command for personnel performing private security functions; and 

(vi) Cooperate with any Government-authorized investigation by providing access to employees performing private security functions and relevant information in the possession of the contractor.

225.370-5 Remedies.

(a) In addition to other remedies available to the Government— 

(i) The contracting officer may direct the contractor, at its own expense, to remove and replace any contractor personnel who fail to comply with or violate applicable requirements. Such action may be taken at the Government’s discretion without prejudice to its rights under any other contract provision, including termination for default. Required contractor actions include— 

(ii) Ensuring the return of personal identity verification credentials; 

(iii) Ensuring the return of any other equipment issued to the employee under the contract; and 

(iv) Revocation of any physical and/or logistical access granted to such personnel; 

(ii) The contracting officer shall include the contractor’s failure to comply with the requirements of this subpart in appropriate databases of past performance and consider any such failure in any responsibility determination or evaluation of past performance; 

(iii) In the case of award-fee contracts, the contracting officer shall consider a contractor’s failure to comply with the
requirements of this subpart in the evaluation of the contractor's performance during the relevant evaluation period, and may treat such failure as a basis for reducing or denying award fees for such period or for recovering all or part of award fees previously paid for such period; and

(4) If the contractor fails to comply with the Government's direction to remove or replace personnel (see paragraph (a)(1) of this subsection), and such failure to comply is severe, prolonged, or repeated, the contracting officer may terminate the contract for default.

(b) If the performance failures are significant or repeated, the contracting officer shall refer the contractor to the appropriate suspension and debarment official.

225.370-6 Contract clause.

Use the clause at 263.325-7039, Contractors Performing Private Security Functions, in all solicitations and contracts to be performed in areas of-

(a) Contingency operations;

(b) Complex contingency operations;

(c) Other military operations or exercises, when designated by the combatant commander.

Subpart 225.4—Trade Agreements

Source: 65 FR 19882, Apr. 13, 2000, unless otherwise noted.

225.401 Exceptions.

(a)(2)(A) If a department or agency considers an individual acquisition of a product to be indispensable for national security or national defense purposes and appropriate for exclusion from the provisions of FAR subpart 25.4, it may submit a request with supporting rationale to the Director of Defense Procurement and Acquisition Policy (OUSD(AT&L)/DPAP). Approval by OUSD(AT&L)/DPAP is not required if—

(1) Purchase from foreign sources is restricted by statute (see subpart 225.70);

(2) Another exception in FAR 25.401 applies to the acquisition; or

(3) Competition from foreign sources is restricted under subpart 225.71.

(B) Public interest exceptions for certain countries when acquiring products or services in support of operations in Afghanistan are in 225.7104-1.

[75 FR 81916, Dec. 30, 2010]

225.401-70 End products subject to trade agreements.

Acquisitions of end products in the following Federal supply groups (FSG) are covered by trade agreements if the value of the acquisition is at or above the applicable trade agreement threshold and no exception applies. If an end product is not in one of the listed groups, the trade agreements do not apply. The definition of Caribbean Basin country end products in FAR 26.006 excludes those end products that are not eligible for duty-free treatment under 19 U.S.C. 2709(b). Therefore certain watches, watch parts, and luggage from certain Caribbean Basin countries are not eligible products. However, 225.008 expands the definition of Caribbean Basin country end products to include petroleum and any product derived from petroleum, in accordance with Section 8994 of Pub. L. 103-183.

value of those incidental services does not exceed the value of the product itself.

(13) South Caucasus/Central and South Asian (SC/CSA) state means Armenia, Azerbaijan, Georgia, Kazakhstan, Kyrgyzstan, Pakistan, Tajikistan, Turkmenistan, or Uzbekistan.

(14) South Caucasus/Central and South Asian (SC/CSA) state and product means an article that-

(i) is wholly the growth, product, or manufacture of an SC/CSA state;

(ii) in the case of an article that consists in whole or in part of materials from another country, has been substantially transformed in an SC/CSA state into a new and different article of commerce with a name, character, or use distinct from that of the article or articles from which it was transformed. The term refers to a product offered for purchase under a supply contract, but for purposes of calculating the value of the end product included services (except transportation services) incidental to its supply, provided that the value of those incidental services does not exceed the value of the product itself;

(c) The Contractor shall deliver under this contract only domestic end products unless, in its offer, it specified delivery of qualifying country and products, SC/CSA state and products, Canadian end products, or other foreign end products in the Bay American Act—Free Trade Agreements—Balance of Payments Program Certificate provision of the solicitation. If the Contractor certifies in its offer that it will deliver a qualifying country and product, SC/CSA state and products, or a Canadian end product, the Contractor shall deliver a qualifying country and product, an SC/CSA state end product, a Canadian end product or, at the Contractor's option, a domestic end product.

252.225-7038 Restricted Acquisition of Air Circuit Breakers.

As prescribed in 225.7009-4(b), use the following clause:

RESTRICTION ON ACQUISITION OF AIR CIRCUIT BREAKERS (JUN 2006)

Unless otherwise specified in its offer, the Contractor shall deliver under this contract air circuit breakers manufactured in the United States or its outlying areas, Canada, or the United Kingdom.

252.225-7039 Contractors performing private security functions.

As prescribed in 225.370-6, insert the following clause:

CONTRACTORS PERFORMING PRIVATE SECURITY FUNCTIONS (AUG 2011)

(a) Definition. Private security functions means activities engaged in by a contractor, including-

(i) Guarding of personnel, facilities, designated sites, or property of a Federal agency, the contractor or subcontractor, or a third party; and

(ii) Any other activity for which personnel are required to carry weapons in the performance of their duties.

(b) Requirements. The Contractor is required to—

(1) Ensure that all employees of the Contractor who are responsible for performing private security functions under this contract comply with any orders, directives, and instructions to Contractors performing private security functions that are identified in the contract for—

(i) Registering, processing, accounting for, managing, overseeing, and keeping appropriate records of personnel performing private security functions. This includes ensuring the issuance, maintenance, and return of Personal Identity Verification credentials in accordance with FAR 52.204-16, Personal Identity Verification of Contractor Personnel, and DoD procedures, including revocation of any physical and/or logistical access (as defined by Homeland Security Presidential Directive (HSPD-12)) granted to such personnel;
Defense Acquisition Regulations System, DOD

(2) Authorizing and accounting for weapons to be carried by or available to be used by personnel performing private security functions;

(A) All weapons must be registered in the Synchronised Predeployment Operational Tracking (SPOTT) material tracking system.

(B) In addition, all weapons that are Government- furnished property must be assigned a unique identifier in accordance with the clauses at DFARS 252.211-7003, Item Identification and Valuation, and DFARS 252.247-7001, Tagging, Labeling, and Marking of Government-Furnished Property, and physically marked in accordance with MIL-STD-130 (current version) and DoD directives and instructions. The items must be registered in the DoD Item Unique Identification (IUID) Registry (https://www.dpm.gov/iuid/).

(C) Registering and identifying armored vehicles, helicopters, and other military vehicles operated by Contractors performing private security functions;

(A) All armored vehicles, helicopters, and other military vehicles must be registered in SPOTT.

(B) In addition, all armored vehicles, helicopters, and other military vehicles are Government-supplied property that must be assigned a unique identifier in accordance with the clauses at DFARS 252.211-7003 and DFARS 252.247-7001 and physically marked in accordance with MIL-STD-130 (current version) and DoD directives and instructions. The items must be registered in the DoD IUID Registry (https://www.dpm.gov/iuid/).

(D) Reports incidents in which—

(A) A weapon is discharged by personnel performing private security functions;

(B) Personnel performing private security functions are attacked, killed, or injured;

(C) Persons are killed or injured or property is destroyed as a result of conduct by contractor personnel;

(D) A weapon is discharged against personnel performing private security functions or personnel performing such functions believe a weapon was so discharged; or

(E) Acts, non-lethal countermeasures (other than the discharge of a weapon) are employed by personnel performing private security functions in response to a perceived immediate threat.

(2) Ensure that all employees of the Contractor who are responsible for personnel performing private security functions under this contract are briefed on and understand their obligations to comply with—

(i) Qualification, training, screening (including, if applicable, thorough background checks), and security requirements established by DoD Directive 5260.56, Private Security Contractors Operating in Areas of Contingency Operations, Combat Operations, or Other Significant Operations, at http://www.dtic.mil/ashd/Dir526056.pdf;

(2) Applicable laws and regulations of the United States and the host country and applicable treaties and international agreements regarding performance of private security functions;

(III) Orders, directives, and instructions issued by the applicable commander of a combatant command relating to weapons, equipment, force protection, security, health, safety, or relations and interaction with locals; and

(IV) Rules of force issued by the applicable commander of a combatant command for personnel performing private security functions;

(3) Cooperate with any Government-authorized investigation by providing access to employees performing private security functions and relevant information in the possession of the Contractor regarding the incident concerned.

(c) Remedies. In addition to other remedies available to the Government—

(1) The Contracting Officer may direct the Contractor, at its own expense, to remove and replace any contractor personnel who fail to comply with or violate applicable requirements of this contract. Such action may be taken at the Government's discretion without prejudice to its rights under any other provision of this contract, including termination for default. Required Contractor actions include—

(i) Ensuring the return of personal identity verification credentials;

(ii) Ensuring the return of other equipment issued to the employee under the contract; and

(iii) Revocation of any physical and/or logical access granted to such personnel;

(2) The Contractor's failure to comply with the requirements of this clause will be included in appropriate databases of past performance and may be considered in any responsibility determination or evaluation of past performance;

(3) If this is an award-fee contract, the Contractor's failure to comply with the requirements of this clause will be considered in the evaluation of the Contractor's performance during the relevant evaluation period, and the Contracting Officer may treat such failure to comply as a basis for reducing or denying award fees for such period or for recovering all or part of award fees previously paid for such period; and

(4) This contract may be terminated for default if the Contractor fails to comply with the requirements of paragraph (b) of this clause or, if directed by the Contracting Officer, fails to remove or replace, at its own expense, any of its personnel who violate the requirements of paragraph (b) of this clause. 

(5) All other aspects of performance of the Contractor to comply with the requirements of this clause shall not be reduced or diminished by the failure of a higher- or lower-tier
Contractor to comply with the change requirements or by a failure of the contracting activity to provide required oversight.

(e) Subcontracts. The Contractor shall include a clause substantially of this clause, including this paragraph (e), in all subcontracts that will be performed in areas of contingency operations, complex contingency operations, or other military operations or exercises designated by the Combatant Commander.

(End of clause)

(76 FR 52197, Aug. 10, 2011)

As prescribed in 255.7102-5(a), use the following clause:

CONTRACTOR PERSONNEL AUTHORIZED TO ACCOMPANY U.S. ARMED FORCES DEPLOYED OUTSIDE THE UNITED STATES (JUN 2011)

(a) Definitions. As used in this clause—

Combatant Commander means the commander of a unified or specified combatant command established in accordance with 10 U.S.C. 161.

Designated operational area means a geographic area designated by the Combatant Commander or subordinate joint force commander for the conduct or support of specified military operations.

Law of war means that part of international law that regulates the conduct of armed hostilities. The law of war encompasses all international law for the conduct of hostilities binding on the United States or its individual citizens, including treaties and international agreements to which the United States is a party, and applicable customary international law.

Subordinate joint force commander means a sub-unified commander or joint task force commander.

(b) General.

(i) This clause applies when Contractor personnel are authorized to accompany U.S. Armed Forces deployed outside the United States in—

(i) Contingency operations;

(ii) Humanitarian or peacekeeping operations;

(iii) Other military operations or military exercises, when designated by the Combatant Commander.

(ii) Except as provided in paragraph (b)(3) of this clause, Contractor personnel are only authorized to use deadly force in self-defense.

(iii) Contractor personnel performing security functions are also authorized to use deadly force when such force reasonably appears necessary to execute their security mission to protect personnel, consistent with the terms and conditions contained in their contract or with their job description and terms of employment.

(iv) Unless immiante from host nation jurisdiction by virtue of an international agreement or international law, inappropriate use of force by contractor personnel authorized to accompany the U.S. Armed Forces can subject such personnel to United States or host nation prosecution and civil liability (see paragraphs (d) and (j)(8) of this clause).

(d) Service performed by Contractor personnel subject to this clause is not active duty or service under 38 U.S.C. 1001 note.

(e) Support. (1) The Combatant Commander will develop a security plan for protection of Contractor personnel in locations where there is not sufficient or legitimate civil authority, when the Combatant Commander decides it in the interest of the Government to provide security because—

(A) The Contractor cannot obtain effective security services;

(B) Effective security services are unavailable at a reasonable cost; or

(C) Threat conditions necessitate security through military means.

(2) The Contracting Officer shall include in the contract the level of protection to be provided to Contractor personnel.

(f) In appropriate cases, the Combatant Commander may provide security through military means, commensurate with the level of security provided DoD civilians.

(g) Generally, all Contractor personnel authorized to accompany the U.S. Armed Forces in the designated operational area are authorized to receive emergency medical, stabilization, hospitalization at level III military treatment facilities, and assistance with patient movement in emergencies where loss of life, limb, or eyesight could occur. Hospitalization will be limited to stabilization and short-term medical treatment with an emphasis on return to duty or placement in the patient movement system.

(i) When the Government provides medical treatment or transportation of Contractor personnel to a selected civilian facility, the Contractor shall ensure that the Government is reimbursed for any costs associated with such treatment or transportation.

(j) Medical or dental care beyond this standard is not authorized unless specified elsewhere in this contract.

(2) Unless specified elsewhere in this contract, the Contractor is responsible for all
