No 34-1

Geneva, January 18, 2012

The Permanent Mission of the Republic of Bulgaria to the United Nations and other international organizations in Geneva presents its compliments to the Office of the United Nations High Commissioner for Human Rights and referring to the latter’s Note with regard to Human Rights Council resolution 18/2, dated 22 November 2011, which concerns the implementation of policies and programmes to reduce preventable maternal mortality and morbidity by applying a human rights-based approach, has the honour to transmit the information provided by the Bulgarian authorities with regard to the implementation of the above mentioned resolution. The information can be made available on the OHCHR website.

The Permanent Mission of the Republic of Bulgaria avails itself of this opportunity to renew to the Office of the United Nations High Commissioner for Human Rights the assurances of its highest consideration.

Annex: in accordance with the text – 3 pages.
