A square for each article

The frame of the poster - the outcome of a joint project between the Office of the United Nations High Commissioner for Human Rights (OHCHR) and UNESCO for the dissemination of the Universal Declaration of Human Rights in schools - illustrates the 30 articles of the Universal Declaration of Human Rights.

The figure reproduced on this page shows which articles have inspired the drawings in the frame.

We hope that this material will provide inspiration for human rights activities to be organized in schools.
