

Ahmadou TALL (Senegal)

Date and place of birth: 3 November 1965, Dakar (Senegal)

Working language(s): French

Current position/function

Magistrate – Technical adviser on human rights issues to the Ministry of Justice

Coordinator for the Administrative and Financial Task Force of the Justice Sector Programme

Main professional activities

His main responsibility is coordinating the implementation of the 10-year Justice Sectoral Programme (PSJ), (2004–2013), to modernize the juridical and judicial environment. Its aim is to make the justice system's public service more effective by improving accessibility, increasing efficiency and improving the institutional framework, thus enabling the system satisfactorily to meet the requirements of persons involved in legal proceedings.

Furthermore, as the holder of a Specialized Higher Education Diploma in human rights (from the Catholic University of Leuven, Belgium), he acts as a technical adviser to the Ministry of Justice in the field of human rights.

Educational background

Specialized Higher Education Diploma in human rights, passed with distinction (inter-university course organized by the Catholic University of Leuven, the University of Namur and the University of Saint-Louis in Brussels, Belgium)

Diploma of the Ecole Nationale d'Administration et de Magistrature (ENAM), Dakar – Judicial Department

Master's degree in juridical sciences (specialization in private law – "*Mention assez bien*")

Certificate of English Language Study – Intermediate Level

Other main activities in the field relevant to the mandate of the treaty body concerned

Member of the Senegalese Human Rights Committee (as representative of the Ministry of Justice)

Member of the team responsible for drafting the analysis of measures to combat trafficking in persons, particularly women and children, in Senegal, in cooperation with actors from the public and private sectors and civil

society, and preparing the National Plan of Action to Combat Human Trafficking in Senegal (report submitted in June 2008).

List of most recent publications in the field
