Summary_Preparation for a thruth commission_2021-03-31.docx;

Input from the Sami Parliament of Sweden on the Questionnaire Transitional justice measures to address the legacy of serious violations of human rights and humanitarian law committed in colonial contexts.

- 1) No measures have yet been taken in Sweden to hold accountable persons accused of committing or bearing responsibility for gross violation of human rights etc. concerning the Sami people.
- 2) No mechanisms have yet been established to establish the truth, but there is an ongoing work to establish a truth commission concerning the violation of the Swedish state towards the Sami people. [A summary of the report is attached in this email.](#)
- 3) No measures established to provide reparation of victims.
- 4) No measures established to memorialize violation of human rights or international humanitarian law.
- 5) No measures established to guarantee non-recurrence of gross violation of human rights concerning the Sami people.

Best regards,

Marie Enoksson
