To whom it may concern,

On behalf of the Unrepresented Nations and Peoples Organization (UNPO) I would like to present my compliment to You and would like to hereby request Your consideration on the communication concerning the Universal Periodic Review.

The Unrepresented Nations and Peoples Organization (UNPO) is a democratic, international membership organization. Its Members are indigenous peoples, occupied nations, minorities and unrecognized states or territories who have joined together to protect their human and cultural rights, preserve their environments, and to find non-violent solutions to conflicts, which affect them.

Please find attached four documents that our organisation has compiled for the first session of countries being reviewed by the Human Rights Council, specifically concerning the Romania, Pakistan and Ukraine.

We hope that you will take into due consideration these documents for the first session of the Universal Periodic Review of the United Nations Human Rights Council.

Yours sincerely,

Marino Busdachin
UNPO General Secretary
